

# Vending Locks

## *Tubular Vending Locks*

The Cobra 1000 series original vending lock comes in two versions; the standard tubular vending lock and the Cobramatic 8-Change vending lock.

**1000 Series**

All **Cobra 1000** Series locks provide a higher level of security adding an improved anti-drill ball positioned in the center of the spindle, and shielded pin stack on the standard tubular vending lock.

All **Cobramatic 1000** Series 8-change locks provide a higher level of security adding an improved anti-drill ball positioned in the center of the spindle.

Both are available in either Spring Bolt or Dead Bolt.

The original Tubular series and Cobramatic series provides the ability to continue current systems from other manufacturers.

Contact us to get additional information on this and other Cobra locks that can provide additional security at reasonable prices.

**CobraMatic**

*Ask about the NEW and more secure Cobra 7 and Cobramatic 7 Vending Locks.*
